ABOUT THE SCHOOL

The George Washington University Online High School (GWUOHS) is an independent private school for students in grades 8–12. Founded in 2010, the school's mission is to serve students from across the United States and around the world, who desire a flexible yet rigorous college preparatory education.

All classes are taught through online instruction, both synchronous and asynchronous, and include regular teacher interaction and support. In addition to "live" online class sessions, students attend teachers' office-hour sessions to receive additional direct instruction. As members of a diverse school community, students engage with classmates both on-line and off-line through interactive instruction, clubs, school trips, and social opportunities.

MISSION STATEMENT

Our mission is to educate and inspire academically talented and motivated students who seek membership in a school community that values and cultivates hard work, integrity, appreciation of diversity, love of learning, compassion, and high personal expectations. Through intensive, interactive online collaboration, the GWUOHS experience prepares students to contribute significantly, responsibly, and respectfully in a global society.

SIGNATURE PROGRAM

The Journeys Symposium is a unique college and life-planning curriculum composed of seven consecutive year-long seminars and is designed to help students develop the self-awareness and skills necessary to set fulfilling goals for high school, college, and beyond.

With an emphasis on writing, the seven-year course sequence takes students, who begin in grade 8, through a process of self-discovery that leads to a fulfilling high-school experience and successful college placement. This flexibly structured voyage also provides students with a framework for living life well.
